HANYANG UNIVERSITY ERICA CAMPUS
Education Research Industry Cluster @ Ansan

Creativity is transforming imaginative ideas into practical and valuable products. These creative works can be found in science, technology, music, dance, art, designs, literature, or education, or in a multitude of other areas. At the Hanyang ERICA International Winter School, creativity takes the form of refreshing study abroad experience referred to as “edutainment”. Come join us at HEIWS for our enlightening curriculum, entertaining excursions, and overall memorable experiences.
