International Schools Department of Samara National Research University makes two-week schools for students since 2015. Samara University (is in top-10 universities in Russia) organizes the schools both online and offline. ECTS certificate is provided.

- **1000+ participants**
- **52+ countries**
- **Study and cultural parts**

Samara city is located in the southeastern part of European Russia on the eastern bank of the Volga River. Samara is the space capital of Russia. Now it is an important political, industrial and cultural center of Russia. The city is a busy communication hub and an important center of the aerospace, automotive, chemical and energy industries.

Cultural & social program is a daily part of International schools. Cultural part includes tours around Samara city to:

- **old town of Samara;**
- **Samara city's embankment;**
- **historical Leningradskaya street;**
- **campus of Samara University;**
- **traditional Russian cafés and stores;**
- **acquaintance with Russian way of life.**

Social part of the program includes online playing games with the team of international school and online playing quiz about Russian culture.

Samara University is one of the most dynamically developing Russian universities. The University is formed by the union of Samara State Aerospace and Samara State Universities. In recent years, the university has been steadily improving its performance in Russian and international rankings. For many years, Samara University has been inextricably linked with the overall industrial and economic development of the region, which is one of the leading domestic and world centers of aerospace technologies. Currently, teaching and research at Samara University are organized by 7 institutes. There are many unique scientific laboratories here.

UNIVERSITY**

Russian Language and Culture

You will speak Russian after this school! Successful Russian language study is the study with native speakers! Meet native speakers, find out more about Russian culture and Russian people's set of mind. The school is held in English and Russian. The program is constructed so that everyone can easily improve his/her Russian!

We also have an online format of school Russian Language and Culture! The school provides a total feeling of presence in Russia. Unlike other platforms, we present the program that will give much beyond the studies.

We will take you to play Russian famous games, walk with you along vivid streets and show the most beautiful places of the city, visit Space museum, other exclusive sites of Samara.

Along with language classes, the school offers courses on history and culture of Russia, master classes on making Russian food and souvenirs.

Certificate on 4 ECTS (offline)/ 2 ECTS (online) is provided.

High Technology Management

High Technology Management School is offered by Samara University as an intensive study and research course. During this school students with different backgrounds will receive knowledge and skills of hi-tech enterprises' management. Students will visit successful innovative companies in order to understand the foundations of high technology management and its practical and monetary issues.

The course is open for all ambitious students interested in human sciences, engineering or maths. By the end of this course students will have an opportunity to create their innovative hi-tech project. Our friendly team, lectures, entrepreneurs, mentors and coaches will lead the participants throughout the process, thus they can take a maximum of it. Acquired knowledge will help students in further commercialization of their ideas.

Certificate on 4 ECTS (offline)/ 2 ECTS (online) is provided.

International Law

There is no need to explain the importance of international relationship nowadays. Consequently, international law is important part of its development. Our International Law school is focused on recent developments in the field of International Law, and guides students through the central debates within the sphere. In real-time mode you will take part in court sessions.

And this won't be a regular course. Cultural part is as important as the studies! We will take you to excursions such as Space museum, Stalin's bunker, walk with you along historical streets and show the most beautiful places in the city. International Law School is aimed at gap year students, current undergraduates and any other adult learners who wish to expand their understanding of International Law with like-minded peers from all over the world. Our friendly team, lecturers, entrepreneurs, mentors and coaches will lead the participants throughout the process, thus they can take a maximum of it.

Certificate on 4 ECTS (offline)/ 2 ECTS (online) is provided.
